

WestStar Shares Panoramic Look Of Downtown El Paso

June 1, 2022 (El Paso, TX) – El Paso recently added WestStar Tower to its skyline. In celebration of the addition of the first skyscraper since the 1970s, WestStar coordinated a panoramic photo shoot to highlight the growth and revitalization the city has experienced over the past few decades. Earlier this year, Downtown El Paso came together to create a dynamic aerial view of our metropolitan area by illuminating the night sky in red, white, and blue.

WestStar is committed to investing in their community, and as a token of their appreciation for the community's support, they are making these two photos available to the public.
